"Sweet Morning"

My world is like a river, as dark as it is deep
Night after night the past slips in and gathers all my
sleep
My days are just an endless stream of emptiness to me
Filled only by the fleeting moments of her memory

Sweet memories
Sweet memories
Mmm

She slipped into the silence of my dreams again last
night
Wandering from room to room, she's turning on each
light
Her laughter spills like water from the river to the sea
And I'm swept away from sadness, clinging to her
memory

Sweet memories
Sweet memories
Mmm

Sweet memories
Sweet memories
Mmm
