Memories light the corners of my mind  
Misty water-colored memories of the way we were

Scattered pictures of the smiles we left behind  
Smiles we gave to one another for the way we were

Can it be that it was all so simple then  
Or has time rewritten every line

If we had the chance to do it all again  
Tell me, would we? Could we?

Memories may be beautiful and yet  
What's too painful to remember  
We simply choose to forget

So it's the laughter we will remember  
Whenever we remember  
The way we were  
The way we were
