Who's peekin' out from under a stairway
Calling a name that's lighter than air
Who's bending down to give me a rainbow
Everyone knows it's Windy

Who's tripping down the streets of the city
Smilin' at everybody she sees
Who's reachin' out to capture a moment
Everyone knows it's Windy

And Windy has stor-my eyes
That flash at the sound of lies
And Windy has wings to fly
Above the cloud (above the cloud)
Above the clouds (above the cloud)

Who's tripping down the streets of the city
Smilin' at everybody she sees
Who's reachin' out to capture a moment
Everyone knows it's windy

La La La La La La La La La La...(Repeat three times)
Everyone knows it's windy

And Windy has stor-my eyes
That flash at the sound of lies
And Windy has wings to fly
Above the cloud (above the cloud)
Above the clouds (above the cloud)

Who's tripping down the streets of the city
Smilin' at everybody she sees
Who's reachin' out to capture a moment
Everyone knows it's windy
[Repeat Once and fade]
