Cause I was more than startin (?)

Watchin a nigga look up the barrel of my automatic

When a nigga panic, I just sit back and laugh

And if you got somethin to say, you motherfucker that's
yo' ass

So save the whatcha say and all that bullshit

A lady like the B ain't in the mood to be fucked wit yo

Cause I'm a slick bitch yo, the way it has to be

Call me a true bitch cause my bitch is comin naturally

Yeah, that's the way it is, I just can't quit

when it comes, to fuckin your feelings and all that type
shit

The brother AMG callin me a trip

Call it what you want, cause yo this sista is one hell of a

But see I'm out to get a grip, a sista like myself

I'll grab the gat and get hazardous to a nigga's health

And for the trick niggaz something's up my sleeve

and so you better check for your dough before you go

Today I feel like doin dirty shit, bein a bitch so to speak
see

I think I'll be a bitch all week, me and the D-double-E

I got the shit you can't get with, hell yeah

Straight doggin, cause this bitch is legit

AMG's got the forty ounce, come and take a sip

Hoes love me cause "Word to the D" bumps

Dick for the chick, gun for the chumps

And yes, I love bitches it's true

Suck my dick, it's about 90 proof

You might get drunk you punk

witcha big ass and your female funk

Slidin a wave of thighs from your jiggable pie

You're burnin so fast, you can probably start a fire

Bitches ain't nothin but pussy with a attitude

She might fuck, or she might make your balls blue

And yo, smack the ho witcha dick
