You are what you are
Your hate for me is so hard
Yo are what you want
Your hurts lower my guard

If you're thinkin' to abort this life
I think it's better try to fight
If everything goes as it should be
What is the best way to living free
When the rain begins to fall
I'm ready to pay my wrongs
If you don't relieve my pain
What is wrong is wrong again

I am who I am
And nothing's gonna change
I am what I lived
And also what I feel
There'is nothing to do today
I am ready to follow my fate
There is only a love that I need
Is the love that I can finally see

When the rain begins to fall
I'm ready to pay my wrongs
If you don't relieve my pain
What is wrong is wrong again

Now I'm ready to go
I'm ready to fight
I'm ready to escape from my own fight
Now I'm ready to go
I'm ready to fight
I'm ready to escape from my own fight

This is my holy world
In this life
I'm ready to pay my wrongs

If you don't relieve my pain
What is wrong is wrong again
When the rain begins to fall

I'm ready to pay my wrongs

If you don't relieve my pain

What is wrong is wrong

What is wrong is wrong

What is wrong is wrong again
