I'm fighting again through the numbness
I'm so tired of uncertainties
I'll take anything just to know
I'm still alive but dead inside

I'm Prayin' through my soul
I'm Searching my world
A place I can call home
Which direction should I go?

Somewhere to call my own
Somewhere that I belong

A place where heart and soul are one
A place beneath the burning sun

Searching years past for how I use to be
Pulled from all directions
Without a feeling heart it's really hard
To be sure, how do I know?

I'm Prayin' through my soul
I'm Searching my world
A place I can call home
Which direction should I go?

Somewhere to call my own
Somewhere that I belong

A place where heart and soul are one
A place beneath the burning sun

Pieces of my heart
Pieces of...

I need a map to your... heart (x4)

A map
To a soul...
A map
To a life...
A map to a feeling...

Map to your heart (x3)
