Go away  
go away  
and let me be alone.  
I don't care  
I don't need you round me anymore.  
There's bound to be another one for me

Who'll treat me like a lady ought to be.  
Oh  
leave me alone  
leave me alone

Leave me alone  
leave me alone because

Ooh ooh ooh ooh ooh  
I'm not your little baby

Ooh ooh ooh ooh ooh  
can't you see I'm a little lady.  
Ooh ooh ooh ooh ooh  
you think you are but your just not redy  
Ooh ooh ooh ooh ooh  
to go round with a little lady.  
You're a fool if you think that I could change my mind.  
Once before I took you back but then my heart was  
blind.  
A woman likes to feel she's something else

A litle more than something off a shelf.  
Oh  
leave me alone  
leave me alone

Leave me alone  
leave me alone because  
Ooh ooh ooh ooh ooh  
I'm not your little baby

...

There's bound to be another one for me

Who'll treat me like a lady ought to be.

Oh  
leave me alone  
leave me alone

Leave me alone  
leave me alone because  
Ooh ooh ooh ooh ooh  
I'm not your little baby  
...  
Ooh ooh ooh ooh ooh  
I'm not your little baby  
...
