"Rise"

I can't stand your face up in mine,
Always wanted to know things I do
It's funny how things change
Redefine, just how much faith I have in you
You won't get the best of me
You won't take the best of me
You will watch this as it all falls down

Hey you
Stand the fuck up and rise
I'm not afraid
Hey you
Stand the fuck up and rise
I'm not afraid

I can't fake the way I feel inside
Everyone of those eyes judging me
It's funny how things change
Redefine how fucked up this life can really be
You won't get the best of me
You won't take the best of me
You will watch this as it all falls down

Hey you
Stand the fuck up and rise
I'm not afraid
Hey you
Stand the fuck up and rise
I'm not afraid

You won't get the best of me
You can't get the best of me
I'm gonna watch this as it all falls down
You won't get the best of me
You can't get the best of me
I'm gonna watch this as it fall

Hey you
Stand the fuck up and rise
I'm not afraid
Hey you

Stand the fuck up and rise
I'm not afraid
Not, I'm not afraid
Hey you
Stand the fuck up and rise
Hey you
Stand the fuck up and rise
Hey you
Stand the fuck up and rise
Hey you
Stand the fuck up and rise
