Well loose lady Lucy was leanin' with her hips on the wall.

Laughin' with a drink cause she knows that she's the cause of it all.

Well never needs a mirror, just moves,
And that'll start 'em to brawl.

Roving with her eyes thru Vogue,
Or maybe was it McCall?

So let her come closer,
Give her all that she needs.

She's looking for a man or anyone who'll give her a chance,

Then shuffles to the bar and waits for someone hot to romance.

And when the time is right she'll send you deeper into a trance,

With a smile she'll drive you wild all she needs is just a bit of a glance.

So let her come closer,
Give her all that she needs.

Chorus:

Hey Big Boy!! Let's do it again.

Hey Big Boy!! Let's do it again

She was standing by the pier,
Waiting for her dear friend Tom.

When along came a man,
Who she only knew as Sam with a gun.

Well he found her there with Tom,
And he did only thing he could do.

So he gave them both a taste,
And with that he left in haste for some brew.

(Yes he did)

So let her come closer,
Give her all that she needs.

Chorus:

Hey Big Boy!! Let's do it again.

Hey Big Boy!! Let's do it again.

Hey Big Boy!! Let's do it again.
Hey Big Boy!! Let's do it again.
