Don't you wanna come and play
While I'm ah hanging with my girls
Girls let me hear ya say hey hey hey

If you wanna come and play
While I'm ah hanging with my girls
Girls let me hear ya say hey hey hey

Calling all my girls
To see what's going down tonight
Hear about a party
Jumping off into the morning light
I hope your getting ready
If not you'll have to find another ride

(Chorus)
Cause we came here to have some fun
And we won't stop for anyone
Are you ready
Don't you wanna come and play
While I'm ah hanging with my girls
Girls let me hear ya say hey hey hey
If you wanna come and play
While I'm ah hanging with my girls
Girls let me hear ya say hey hey hey

Slipped up in the party
Spot a couple hotties that we like
Tell by the reaction of the faces
We were looking right

So me and my girls headed
To the floor so we can get it high

(Repeat Chorus x1)

Don't you want
I know you want to
Come and stay with me
Hey hey hey
(Repeat 1)

(Repeat Chorus x1)

Don't you want
I know you want to
Come and stay with me
Hey hey hey

(Repeat Chorus x1)
