When I see you walk on by,
You do something to me.
And every time you're by my side,
You know my heart keeps skipping a beat
Heaven only knows, that I want you so.

Tell me everything you see,
Everything you do.
If you give your love to me,
I'll give all my love to you.
Heaven only knows, that I love you so.

Chorus:
Hold me, Squeeze me, never let me go.
Hold me, Squeeze me, never let me go, never let me
go.

Let me tell you one more time,
Don't you realize?
I love you more than any other guy,
And it should come as no surprise.
Heaven only knows, that I need you so.

Chorus:
Hold Me, Squeeze me, never let me go.
Hold me, Squeeze me, never let me go, never let me
go.

Solo

Chorus:
Hold me, Squeeze me, never let me go.
Hold me, Squeeze me, never let me go, never let me
go
Hold me, Squeeze me, never let me go.
Hold me, Squeeze me, never let me go, never let me
go, never let me go.
