I remember the month, remember the day  
Remember you took my breath away  
You holding my hand, you opened the door  
Gently you pulled me to the floor

We were flawless, pure as the snow  
Deep as the river of time that flows  
And I, I need to know

How did a dream come to an end  
How did I lose my lover, my friend  
Couldn't we fall backwards in time  
Back to the moment you became mine  
Oh it's so hard to walk away  
When you've had perfect for one day

I remember the place, remember the time  
Remember how you made my world shine - oh  
Why, why did you lie, why did you cheat  
You made my life feel incomplete

We were flawless, pure as the snow  
You tore me apart and you hurt me so  
Now why I have to know

How did a dream come to an end  
How did I lose my lover, my friend  
Couldn't we fall backwards in time  
Back to the moment you became mine  
Oh it's so hard to walk away  
When you've had perfect for one day

Why am I still here, why do I not leave  
How can I stay, when I can hardly breathe  
Frozen here in space, distant as a star  
You are near but yet so far

Oh it's so hard to walk away  
When you've known perfect for one day

How did a dream come to an end

How did I lose my lover, my friend  
Couldn't we fall backwards in time  
Back to the moment you became mine  
Oh it's so hard to walk away  
When you've had perfect for one day

When you've had perfect for one day  
Yeah, we were perfect for one day
