I got a word, a word or two,
I'm gonna say to you.
You're drivin', drivin' me wild,
When I see you smile a smile.
There's nothing you can do or say,
That will keep me far enough way.

Chorus:
Stick, stick, stick like glue,
Yeah, I'm stuck to you.
Stick, stick, stick like glue,
Now I'll never get loose.

Gonna say it once more,
Before I come knockin' on you door.
I've been thinkin', thinkin' of you,
And you're stickin' to me like glue.
You got me spinnin' around and round,
And I don't know if I'll ever come down

Chorus:
Stick, stick, stick like glue,
Yeah, I'm stuck to you.
Stick, stick, stick like glue,
Now I'll never get loose.

Solo

(repeat Chorus & fade)
