Don't know what you dream about,
but I guess I have figured out.
Don't you think I understand?
You really think that I'm your back-up plan.
It's all about who'll win or lose
and when the time is right to choose,
you think I'll come of second best.
Okay, why don't you put me to the test!

You can't fool me.
You just have to take a stand.
You can't rule me.
I'm not under your command.
I want you if you want me,
But hey, is that what you want?

In a world of million chances
Why stake everything on one card.
A little bit of this,
a little bit of that.
A little bit of everything's what you're at.
The grass is always greener
of the other side of the fence,
but if you think
that you can eat your cake
and have it, baby, you're wrong!
And if you think
I'm on stand-by 'til you say "Go!"
Babe, I don't think so!
Babe, I don't think so!

I don't know how to go on.
Yeah, I thought I was the one.
Maybe I was a little blind.
I thought that our love was one of a kind.
I don't want to live a lie.
There is more than meets the eye.
Tell me: Is it yes or no?
Should I stay or should I let it go?

You can't fool me

You can't fool me.
You just have to take a stand.
You can't rule me.
I'm not under your command.
I want you if you want me,
But hey, is that what you want?

In a world of million chances
Why stake everything on one card.
A little bit of this,
a little bit of that.
A little bit of everything's what you're at.
The grass is always greener
of the other side of the fence,
but if you think
that you can eat you cake
and have it, baby, you're wrong!
And if you think
I'm on stand-by 'til you say "Go!"
Babe, I don't think so!

Oh, I just wanna know:
will you be the one
will you be the one for me?
Oh, I can't let it go
even if it's plain,
even if it's plain to see.
That you're no good for me.
I'm waiting for a change.
What is it gonna be?

In a world of million chances
Why stake everything on one card.
A little bit of this,
a little bit of that.
A little bit of everything's what you're at.
The grass is always greener
of the other side of the fence,
but if you think
that you can eat you cake
and have it, baby, you're wrong!
And if you think
I'm on stand-by 'til you say "Go!"
Babe, I don't think so!
Babe, I don't think so!
Babe, I don't think so!
