(Verse 1)

As we sit in motion and contemplate what we already knew.

I have this notion that I'm not getting through.

No I'm not getting through.

(Pre-Chorus)

It seems whenever that we stay together, we would say forever.

But it was not really true.

It seems whenever that we stay together, we would say forever.

But it was not really true, no not really true.

(Chorus)

Same old song is wearing thin.

How many times can I hear it end?

Same old song of where I stand.

How many lines can be unplanned?

Same old song that I can't take.

How much hurt can we create?

Same old song of where I've been.

How many times can I hear it end?

(Verse 2)

And as we sit in motion, we talk of things that we already knew.

I have this notion that I'm not getting through and I'm not getting you.

(Pre-Chorus)

It seems so often we're too hard to soften.

With our feelings locked in tight in a tomb.

It seems so often we're too hard to soften.

With our feelings locked in tight in a tomb.

But you're right in the room.

(Chorus Twice)

Same old song is wearing thin.

How many times can I hear it end?

Same old song of where I stand.

How many lines can be unplanned?

Same old song that I can't take.
How much hurt can we create?
Same old song of where I've been.
How many times can I hear it end?
