"Honey I've made a terrible mistake. I given you my role. I gave up leading this family, and I forced you to take my place. Now I must reclaim my role. I'm not asking you. I'm telling. You must submit for the survival of our family and our culture. Remember, God wants you to."

Surrender to your rightful keepers do it for our Lord
A life of holy servitude is women's just reward
Have faith in all our promises surrender yourselves to me
And when you get to heaven, you'll be a servant once again

The promise keepers are on a mission, the conversion of a nation
But only bt total submission will women find salvation
They justify spiritual slavery by claiming it's God's will
They're trying to insure oppression through legislative bills

Dave Wardell wants you to do it-surrender-submit
Bill McCartney wants you to do it-surrender-submit
Jesus Christ wants you to do it-surrender-submit
God wants you to do it-surrender-submit

We're second only to God when it comes to absolute authority
It's your duty as God fearing christians to help cleanse society
Submit all aspects of your life for us to review
When it's family,business or sexuality we'll tell you what to do

Souls are held for ransom by The Religious Right
Securing what they believe to be the politics of christ
They instill the fear of God by threatening the masses
so their homophobic, anti-women lobby platform passes
Tony Brown wants you to do it-surrender-submit
Steve Chavis wants you to do it-surrender-submit

Jesus Christ wants you to do it-surrender-submit
God wants you to do it-surrender-submit

"Never have 300,00 men come together throughout
history, except for the purpose of war" We'll start with
homosexuality then it's women, abortion, sinners and
secularism

All are subject to our political and spiritual exorcisms

Stealing away human rights while worshippers applaud
All because they're threatened by the tyranny of God
The only promises these bigoted men will keep
Is the exploitation of a nation of mere sheep

Pat Robertson wants you to do it-surrender-submit
James Kennedy wants you to do it-surrender-submit
Bill Bright wants you to do it-surrender-submit
James Dobson wants you to do it-surrender-submit
Jim Bellicci wants you to do it-surrender-submit
James Ryle wants you to do it-surrender-submit
Jesus Christ wants you to do it-surrender-submit
And your God wants you to do it-surrender-submit
