Why is this so hard to understand
That I trust my heart in your hands
I've been wishing you would come back
And baby, what is up with that
I wanna knowâ€¦

Is this love dangerous
Are we really in it for both of us
(Don't you know that)
This love could be contagious
But all I wanna know
Is this love dangerous

I'm up all night thinking about you

I wonder if you think of me too
Do you love me as much as I love you
Baby, won't you say you do
I wanna knowâ€¦

Chorus

I have this feeling
And it's haunting me every night
I love you dearly
But I can't live with this thought inside of my head

Chorus
