You know how to love me,  
When we make love all night,  
Ooh i need you so bad baby,  
Oooh Ooh Oohooh  
This is where you belong  
Don't make me wait for your love

Hold me baby, drive me crazy  
Touch me, (touch me) all night long  
Make me love you, kiss and hug you  
Touch me, (touch me) all night long

You've gone and started something i thought,  
I'd never find,  
There only seems to be one thing on my mind,  
(Oohhh Yeah)  
'N you know i love it when we do it right,  
'N you know that i need it baby coz tonight  
, this is where you belong  
Don't make me wait for your love

Hold me baby, drive me crazy  
Touch me, (touch me) all night long  
Make me love you, kiss and hug you  
Touch me, (touch me) all night long  
(All night)  
Hold me baby, drive me crazy  
Touch me, (touch me) all night long  
Make me love you, kiss and hug you  
Touch me, touch me all night long

I'm gonna make it worth your while  
Touch me all night long  
'N when i think of tonight it makes me smile  
Touch me all night long (all night long)

Hold me baby, drive me crazy  
Touch me, (touch me)  
Make me love you, kiss and hug you  
Touch me, (touch me) all night long  
Hold me baby, drive me crazy

Touch me, (touch me) all night long  
Make me love you, kiss and hug you  
Touch me, (touch me) all night long  
(wont you..)  
Hold me baby, drive me crazy  
Touch me, (touch me) all night long  
Make me love you, kiss and hug you  
Touch me, all night long
