I gotta tell you, gotta tell you  
'Bout the thing that's on tonight  
I, I'm gonna have a real good time  
I gotta warn you, gotta warn you  
You will be in for a fright  
I'm gonna prove to everyone that I'm not quite so nice

Got a feeling, gotta loosen my body  
Got a feeling, gonna shake up the party  
Got a feeling, gotta pump up the music  
Got a feeling, it's explosive

Everybody's looking at me

Watching me so carefully  
Surprised by my every move  
And you will be too, soon  
I'm kicking my feet in the air  
I'm moving round flicking my hair  
I'm swinging my hips side to side  
Let me take you on this ride

Chorus

Now I'm showing my colours  
I am moving on the dance floor  
I make everything shudder  
Slow it down and give me some more

Chorus
