T-touch, t-touch, t-touch
Touch, touch me all, all, all night long
T-touch
T-touch me all, all, all night long
T-touch
T-touch me all, all, all night long

Oh, you know how to love me, yeah
Oh, I need you so bad, baby
Hold me, baby, drive me crazy
Touch me

Hold me
Oh, I need you so bad, baby

Hold me
Touch me
Touch me all night long
Touch me all night long

Hold me baby, drive me crazy
Hold me baby, drive me crazy
Touch me all night long

Hold me
Hold me
Drive me
Touch me
Touch me all night long

T-touch, t-touch, t-touch
Touch, touch me all, all, all night long
T-touch, t-touch, t-touch
All, all, all night long
