Baby, love you till the mornin' comes

Oh baby, love me right
Let me love you till you get it right
Why can't you let the others be
'Cause with you is where I got to be

Oh sugar, where have you been
Hangin' out with your male friends
Listen somebody's gonna hurt you
The way you love to keep hurtin' me

Oh baby, love me right
Let me love you till the mornin' comes
Oh sugar, love me right
You know I want to be the only one

Let me love you till you get it right

Oh baby, understand
I want you to be the only man
But it seems though it's gettin' to hot
I think I'll start to have my own fun

Oh baby, it's plain to see
That I'm qualified to feel your needs
You think you put it over on me
Oh honey, baby just you wait and see

Oh baby, love me right
Let me love you till the mornin' comes
Oh sugar, love me right
You know I want to be the only one

Let me love you till you get it right

Let me love you till you get it right

Love me right
You gotta love me
Love me right
You gotta love me, oh, oh yeah

Let me love you till you get it right

Oh baby, love me right

Let me love you till the mornin' comes

Oh sugar, love me right

You know I want to be the only one

Oh baby, love me right

Let me love you till the mornin' comes

Oh sugar, love me right

You know I want to be the only one
