Oh baby love me right let me love you till you get it right
Why can't you let the others be coz with you is where i got to be
Oh sugar where you bin hangin out with your male friends
Listen
Somebodys gonna hurt you the way you love to keep hurtin me
Oh baby love me right let me love you till the mornin comes
Oh sugar love me right you know i want to be the only one
Whhhhhhooooooooooooaaaaaa
Let me love you till you get it right
Oh baby understand i want you to be the only man (man)
But it seems though it's gettin to hot i think I'll start to have my own fun
Oh baby it's plain to see that im qualified to feel your needs
You think you put it over on me oh honey baby just you wait and see
Oh baby love me right let me love you till the mornin comes
Oh sugar love me right you know i want to be the only one
Whhhhhhooooooooooaaaaaaaaaa
Let me love you till you get it right
Love me right
You gotta love me
Love me right
You gotta love me whoo whoo yeah
Whhhhhhhooooooooooaaaaaaaaaa
Let me love you till you get it right
Oh baby love me right let me love you till the mornin comes
Oh sugar love me right you know i want to be the only one
Oh baby love me right let me love you till the mornin comes
Oh sugar love me right you know i want to be the only

one.
