Don't you wanna, I know you wanna come and play with me

Chorus

Don't you wanna come and play when I'm
a hangin with my girls let me hear you say
hey, hey, hey
If you wanna come and play when I'm
a hangin' with my girls let me hear you say
hey, hey, hey

Verse

Callin' all my girls to
see about what's goin' down tonight
yeah, yeah, yeah, yeah, uh huh, uh huh
I heard about a party
jumpin off until the morning light
yeah, yeah, yeah, yeah, uh huh, uh huh
I hope you're getting ready
if not you'll have to find another ride
yeah, yeah, yeah, yeah, uh huh, uh huh

Cause we came here to have some fun
and we won't stop for anyone
Are you ready

Chorus

Don't you wanna come and play when I'm
a hangin' with my girls let me hear you say
hey, hey, hey
If you wanna come and play when I'm
a hangin' with my girls let me hear you say
hey. hey, hey

Verse

Stepped up in the party
spot a couple hotties that we like
yeah, yeah, yeah, yeah, uh huh, uh huh
You can tell by the reaction
of their faces we were looking right

yeah, yeah, yeah, yeah, uh huh, uh huh

So me and my girls headed
to the floor so we can get it hype
yeah, yeah, yeah, yeah, uh huh, uh huh

Cause we came here to have some fun
and we won't stop for anyone
Are you ready

Chorus

Don't you wanna come and play when I'm
a hangin' with my girls let me hear you say
hey, hey, hey
If you wanna come and play when I'm
a hangin' with my girls let me hear you say
Hey, hey, hey

Don't you wanna, I know you want to
come and play with me
hey, hey, hey
Don't you wanna, I know you want to
come and play with me
hey, hey, hey

Cause we came here to have some fun
and we won't stop for anyone
Are you ready

Chorus

Don't you wanna come and play when I'm
a hangin' with my girls let me hear you say If you
wanna come and play when I'm
a hangin' with my girls let me hear you say
hey, hey, hey

Don't you wanna, I know you want to
come and play with me
hey, hey, hey

Don't you wanna, I know you want to
come and play with me
hey, hey, hey
