Once upon a time you were mine
Haven't I heard this story
All these sugar sweet fairytales
Never come true and they bore me
I'm like Goldilocks like it hot not too cold
Boy, I'm starving
Wake me with a kiss, make a wish
You can be my Prince Charming
Round and round, round we go the story's end
You never get to it
There's no place like your home
So click your heels three times and say it
Chorus
I want your love, love me right now
Now is the time, I need you
Once upon my time, once upon your time
Once upon our time, this ain't no fairytale
I've waited here impatiently
You're good enough, I'll have you
Once upon my time, once upon your time
Once upon our time, this ain't no fairytale
Not so long ago, I was lost feeling like Cinderella
Just like Little Red Riding Hood
What a big tale I tell ya
I'm not Snowy White, do me right
Give me that poison apple
Seven little men, make it ten (whistle)
Round and round, round we go the story's end

You never get to it
There's no place like your home
So click your heels three times and say it
Chorus
I want your love, love me right now
Now is the time, I need you
Once upon my time, once upon your time
Once upon our time, this ain't no fairytale
I've waited here impatiently
You're good enough, I'll have you
Once upon my time, once upon your time
Once upon our time, this ain't no fairytale
Bridge

Once, once upon a time
Time for you to see
See that I am real, oh oh
Once, once upon a time
Time for you to see
See that I am real
The fairy tale is me
Chorus
I want your love, love me right now
Now is the time, I need you
Once upon my time, once upon your time
Once upon our time, this ain't no fairytale
I've waited here impatiently
You're good enough, I'll have you
Once upon my time, once upon your time
Once upon our time, this ain't no fairytale
