never found anybody to understand
never found a lover to take me as i am
oh oh
oh oh
so many emotions
caged up inside
no where to run to
i'm wound up way too tight
oh oh
oh oh
but you know just what to do

you release me
you let me be anything i wanna be
you, you free me
from the fear inside
each and everytime
oh baby you release me
i thank God i found your love
thank God i found your love

you know how to hold me
it feels so good
you dont judge me
i know you never would
oh oh
oh yeah yeah yeah
all these feelings come pouring out
you've got me started
and theres no stopping now
oh oh
oh oh
but you know just what to do

you release me
you let me be anything i wanna be
you, you free me
from the fear inside
each and everytime
oh baby you release me
i thank God i found your love

thank God i found your love

you release me
like i never been
your love frees me
over and over again

you release me
you let me be anything i wanna be
you, you free me
from the fear inside
each and everytime
oh baby you release me
i thank God i found your love
thank God i found your love
