Bad dream? good dream?
Yume nara ima sugu sametekure
Daydream sad dream
Kokoro ga kuzuredasu mae ni

Metoro no kaidan wo nobotta sono machi de
Sekai ha tomatteita
Kuruma mo hitobito mo karasu mo ugokanai

Utagawazu ni aishiteta omae wo ushinatte kara
Taiyou ga giratsuku dake no silence
Ikiru imi ga nai ashita wo
Shigyakutekina tsumasaki de
Tsubushitasei sa

Mune wo eguru kodoku no shizaa hanzu
Tenshi dake ga akuma ni naru
Moshimo toki wo modoseru no nara
Samishisa wo tsugetai...

Bad dream? good dream?
Jeiru no machi ni torawareta
Daydream sad dream
Ai ha ai sae kizutsukeru
Bad dream? good dream?
Yume nara ima sugu sametekure

Hito ha daremo ga ai no chikara wo shinji
Hatenai tabi wo tsuzukeru no da

Ikiru koto ha munashikute hito ha yume to genjitsu no

Kyoukaisen wo samayou tripper
Ishi no gareki nagetsukete
Shoouindou kowashitemo
Nanimo okinai

Kieta natsu no kioku wo flash back
Hane no ato wo tattoo de keshi
Oodoru youni dakareta onna
Maboroshi demo aitai...

Bad dream? good dream?
Kanashii hodo no mabushisa ha
Daydream sad dream
Futari miageta sora no iro
Bad dream? good dream?
Yume nada ima sugu sametekure
Daydream sad dream
Kokoro ga kuzuredasu mae ni

Yes I'm a daydream tripper
Lonely daydream tripper
Yes I'm a daydream tripper

Yagate nanimokamo ga
Usu no yami ni shizumu
Koko ha itami mo nai
