This is a song for you  
You're still living... in my heart

Just like a river  
Kokoro ni anata no koe ga nagarete  
Hibiku yoru ha sora ni te wo nobasu  
Todoku youni...

I can hear you calling my name  
Hanaretemo wasurenai  
So I pray

Gloria unmei da to shinjiteta  
Gloria ai ha zutto eien ni

Just like a flower  
Watashi no kokoro ni hana wo sakasete  
Anata ni ima todokerareta nara  
Kono koe wo

I can hear you calling my name  
Watashi ni ha kikoeteru  
So I pray

Gloria unmei da to shinjiteta  
Gloria ai ha zutto eien ni

Gloria anata ga kureta kono ima wo  
Gloria mune ni kizande ikiteyuku

Gloria unmei da to shinjiteta  
Gloria ai ha zutto eien ni
