Every night I pray  
That someday I'll find you again  
I remember every part of you...  
Your touch, your kiss,  
And I cherish each and every moment that I shared  
with you...  
I love you

I don't know why doushite konna ni mo kurushii no  
I'm left behind kokoro ha anata wo mada sagashiteru  
Remembering your touch nukumori wo omoidashite  
Kanashii hodo nami utsu my heart

Feel my heart sora wo kakenukeru  
Kaze ni nari ai ni iku  
Yasashiku tsutsumikomu youni  
Mou ichido aishitai

You went away hakanaku chiriku sakura no youni  
So far away utsukushii omoide dake wo nokoshite

Memories of you azayaka ni yomigaeru no  
Itoshikute nemurenai I need you here

Feel my heart kanau no nara  
Mou ichido furesasete  
Anata wo mune ni dakiyosete  
Yami ga chikazukanu youni...

I only wish... that I could have you here right now  
Hold you in my arms... so tight...  
That you may never, ever go away

Feel my soul yozora ni inoru  
Omoi ga todoku youni  
Kono koe kono namida kono egao  
My love is for you  
Eien ni

My love is for you  
Eien ni
