[Intro]

Uh

I like that

Now what we 'bout ta do

Is get up in them speakers

Youknowwhatimsayin?

Representin' the 6-0-2

I go by the name of Bookie

So clear the words

Fo' Life

Ha, ha

Check it out

Uh

[Bookie]

Now when I come through stompin'

Other niggas thinkin' I'm from Compton

No other niggas lookin' at the locket

But fuck that

I put it down for the A-Z

Bookie

Other niggas clown 'cause they hate me

Don't give a damn cuz I'm loaded

The industry's about ta hear the sound, had the ????

It's goin' on

Upside the dome, peep the niggas song

Bookie 'bout ta bomb, let ya tag along

Try this stuff at home

Damn that you get the breath, hold it

First time I ever touched a mic, I'm like a woof, I

knawed it

Sold up, fit a release as I load up

Look at the picture, flippin' the shit around like a twister

So now, you got ta know somethin' venom

Put it in yo chest cuz I'm known ta run up in em

Fittin' em wit the bomb shit, I'm come and rush in wit

the new

Who represent the 6-0-2?

[Chorus]

Let it be known

Phoenix, Arizona is on  
We put it down 'til we fully blown  
And when the word gets around  
Learn how ta take a beat down  
Put the industry in Mobb Town  
All the ghettos  
Be known

Phoenix, Arizona is on  
We put it down 'til we fully blown  
And when the word gets around  
Learn how ta take a beat down  
Put the industry in Mobb Town  
All the ghettos

[Agony]

This my mothafuckin' planet like who bac  
Who drop shots and red dots  
59th Avenue niggas is my pocket  
To be honest, when the niggas rollin' down Thomas  
I keeps seein' that slang, dippin' them things on the  
rhinas  
Fool it's cool, rollin' down Indian School  
We maintain gold thangs, candy paint wit the duels  
Cruisin' down Camelback, tight mags on the Cadillac  
Wit a fat sack on my lap, in the backpack  
Makin' male case clientele, I better bail  
Cuz I won't feel safe 'til I'm outta Glendale  
And if I fail, nigga, somebody 'gon tell  
So I did flip, skip right back ta Maryvale  
I keep it locked and wit my homie for that nigga to pop  
And don't make me prove the shit by grabbin' the glock  
17 shot red dots, whatever block if you a true  
Hustler from the Avenues of 6-0-2

[Chorus]

Let it be known  
Phoenix, Arizona is on  
We put it down 'til we fully blown  
And when the word gets around  
Learn how ta take a beat down  
Put the industry in Mobb Town  
All the ghettos  
Be known  
Phoenix, Arizona is on  
We put it down 'til we fully blown  
And when the word gets around  
Learn how ta take a beat down  
Put the industry in Mobb Town  
All the ghettos

[Omega G]

Hear rumors about the way of life  
In Arizona ain't no copycats, so get it right  
We comin' out, give it some time right before your eyes  
We bring the life, another city that'll live or die  
Full of the hootchies that'll freak you all night long  
And niggas wit the heart ta fight yellin' bring it on  
Let it be known another city betta be ya warn  
Real G's ta represent the heat, valley fever  
Inside the fangs of a criminal wit misdemeanors  
Not soldiers, but assasins wit black Beamers  
Outsiders within' the city, we never seen ya  
And steady smackin' your lips, actin' just like we need  
ya  
We got our own, fuck the world cuz we comin' strong  
Makin' the mark inside the industry where we belong  
I give it down to the people, we be Fo' Life  
So throw yo sets up in the air, make em party high  
Can't list where you be from on a map of 'Zona  
It's happenin' 'til every sides fully blown up  
A revolution on the rise, up on every block  
Got everybody goin' crazy and pullin' glocks  
>From East ta West, up on the South niggas sellin'  
rocks  
Parkin' lots full of the juvenilles, fuck the cops  
And this is what is bound ta happen when I make the  
muthafuckas speakers pop  
Get ready for my revenge, makin' the playa hatas drop

[Chorus]

Let it be known  
Phoenix, Arizona is on  
We put it down 'til we fully blown  
And when the word gets around  
Learn how ta take a beat down  
Put the industry in Mobb Town  
All the ghettos  
Be known  
Phoenix, Arizona is on  
We put it down 'til we fully blown  
And when the word gets around  
Learn how ta take a beat down  
Put the industry in Mobb Town  
All the ghettos

[Chorus]

Be known  
Phoenix, Arizona is on  
We put it down 'til we fully blown  
And when the word gets around  
Learn how ta take a beat down  
Put the industry in Mobb Town

All the ghettos  
Be known  
Phoenix, Arizona is on  
We put it down 'til we fully blown
