Do you know where their children are?...Do you care?  
They're withering away on desert plains  
rotting flesh in withering pain  
sickle skelatons who sleep in piss  
covered in flies and fucking shit  
do you care?  
they're quarantined by barbed wire fence  
filled with disease and massive stench  
there is no shelter they sleep on stone  
they watch eachother turn to bone  
do you care?  
they're retarded zombies in huddled mass  
left to rot like fucking trash  
attention drops as bodies mount  
too many victims to fucking count...  
do you care?  
they're withering away on desert plains  
rotting flesh in withering pain  
sickly skelatons who sleep in piss  
no human beings should have to live like this  
yet you know where their children are,  
you see the pain and the suffering from your lavishly  
furnished materialistic shithole  
you cry crocodile tears for the poor wretched children  
that inhabit the two-minute time slot between your  
favorite sitcoms  
that seem to make everything better  
who should you care, after all, tehy're not your  
children...for now!
