Uw baby love me right  
Let me love you till you get it right  
Why can't you let the others be?  
Cause with you is where I got to be

Uw sugar where you been  
Hanging out with your male friends  
Listen, somebody's gonna hurt you  
The way you love to keep hurting me, we'll see

Uw baby love me right  
Let me love you till the morning comes, sing a song  
Uw sugar love me right  
You no I want to be the only one

Uw baby where you been  
Hanging out with your male friends  
Listen, somebody's gonna hurt you  
The way you love to keep hurting me

Uw baby understand  
I want you to be the only man  
Though it seems though its getting to hot

I think ill start to have my own fun

Uw baby love me right  
Let me love you till the morning comes, sing a song  
Uw sugar love me right  
You no I want to be the only one

Uw baby love me right  
Let me love you till the morning comes, sing a song  
Uw sugar love me right  
You no I want to be the only one

Uw baby its 1 2 3  
I love you baby honestly  
I want to danlayely  
A danlayly, here we go

Uw baby love me right

Let me love you till the morning comes, sing a song  
Uw sugar love me right  
You no I want to be the only one

Here we goÂ....
