Evil Minds grievous sins
Pagan lives have no place for law
Twisted worship exhume the dead
Minds unite for evil cause
Death corrodes the book once strong
Evil lound destroys his foes
Plague has spread throughout the land
Revelations have begun

Call of evil's mastermind
Christians flock to the beast
Burning crosses burn souls
Exterminate the altar of laws
Atrocities of a new reich
Holy war and holocaust
God weeps and turns his back
The time is right to destroy the world

[Chorus:]
Damnation
Fill the world with plague
Force of devastation
Tyranny from above

[Solo: Brunelle]
[Chorus]

[Solo: Brunelle]

Churning of cities lust so profane
Driving the will to destroy
Crippling powers I'm forced to partake unholy rituals
Crimes of a world barely alive
Melting debauchery
Ashes to ashes, so must I be
Lost in this misery
There's nothing left here for me
I know of no other way
Even death cannot change my ways
I'm first in the line
To hell we shall go

[Solo: Brunelle]

[Solo: Azagthoth]

Call of evil's mastermind
Christians flock to the beast
Burning crosses burn souls
The time is right to destroy the world
