Hmm

Tired and worried on the couch
But you know how to wake me
Your voice on the other line
It shakes me

You say, "Are you there?"
And I can't help but be scared
This is so unlike you
Darlin', this is so unlike you

And I can't help but wonder
What it is I did
To make us go asunder
With you leaving and staying
And I can't help but ponder

Funny memories of you and me
Under the gazebo scene
But all of these memories are all lost at c
Lost at c

And you keep asking me questions
And keep repeating my name
And baby, you're drivin' me, drivin' me insane
Drivin' me insane, oh yeah, insane
Drivin' me, drivin' me, drivin' me insane

And I can't help but wonder
What it is I did
To make us go asunder
With you leaving and staying
And I can't help but ponder

Funny memories of you and me
Under the gazebo scene
But all of these memories are all lost at c
Lost a c

Lost at, lost at, lost at c
Oh, and I can't help but wonder
Oh, wonder, wonder

Drivin', drivin' me

How you lost me
How you lost me at c
How you lost me at c
