Do da dum dum da da da dum dum
Do da dum dum da da da dum dum
Do da dum dum da da da dum dum
Oh yeah, Oh yeah.

Do da dum dum da da da dum dum
Do da dum dum da da da dum dum
Do da dum dum da da da dum dum
Oh yeah, Oh yeah.

Quickly you came,
Quickly you left me
Your sparkling eyes are shining as you walk away.
You smell like snickerdoodle cookies
And I don't ever want you to go away.

Give my some sugar
And I'm falling into you
Oh yeah.
I need your loving
Give me your hugging
Baby, let these wishes come true.

Oh, can you hold until the morning?
Or maybe just tonight?
You're making all these promises to make me feel
alright
But will you forget me in time?
Don't forget me.

You're trying to get the stupid little tattoos
And I'm trying to tell you the treble clef is just
SOMETHING
We keep walking down the street
Talking philosophy of this crazy life

You keep on smiling,
My stomach turns to butterflies,
Oh yeah.
I can't decide if being with is wise
So tell me...

Oh, can you hold until the morning?
Or maybe just tonight?
You're making all these promises to make me feel
alright

If you hold me till the morning, will all my wishes come
true?
If you hold me till the morning, will all my wishes come
true?
If you hold me till the morning, will all my wishes come
true?
If you hold me till the morning, will all my wishes come
true?
If you hold until the morning...

Hold me till the morning.
Or maybe just tonight?
You're making all these promises to make me feel
alright
But will you forget me in time?
Oh, don't forget me.

Do da dum dum da da da dum dum
Do da dum dum da da da dum dum
Do da dum dum da da da dum dum
Oh yeah, oh yeah.

Do da dum dum da da da dum dum
Do da dum dum da da da dum dum
Do da dum dum da da da dum dum
Don't forget me.
