Tell me who do you think you are
Believe or not I'm not torn or scarred no
My heart is in tact
You were never something I liked

Nooooooo

Tell me why would you go that far
Your love had me locked up behind bars oh
But the chains are now gone
I've never felt so free or so strong

Yeeaaahhh

And this epiphany just hit me
And now I'm finally realizing

You're all I never needed
I'm so perfect without you
And oh you look defeated
Hope lies a see through

A true love is surrounding
Clarity abounding
You were never my epiphany

Tell me who do you think you are
This attitude you got won't get you far
If you could only see how bad of a star you posess
You posess

And this epiphany just hit me
And now I'm finally realizing

You're all I never needed
I'm so perfect without you
And oh you look defeated
Hope lies a see through yeah

A true love is surrounding
Clarity abounding
You were never my epiphany

Better
Stronger
Better
Prouder without you

Better
Stronger
Prouder
Without you
Without you

You're all I never needed
I'm so perfect without you
And oh you look defeated
Hope lies a see through

A true love is surrounding
Clarity abounding
You were never my epiphany
You were never my epiphany
