Boy you know it's bad when you do that
But you don't care
Holding out exactly what I want
But you won't share
And I've never had a taste before
But now you've got me wanting more

You're playin' it cool, I know what you do
I feel like a fool, but I would be feelin' it anyway
Cause nobody loves me
You're messin' around, I figured you out
You're takin' me down, but I would be feelin' it anyway,
cause nobody loves me, like you do.
Mmm like you do

And boy you know it's wrong when you do that
But you go there (you take me there)
You could lead me on or hang me out
But don't you dare
And I've never had a taste before
But now you got me wanting more

You're playin' it cool, I know what you do
I feel like a fool, but I would be feelin' it anyway
Cause nobody loves me
You're messin' around, I figured you out
You're takin' me down, but I would be feelin' it anyway
cause nobody loves me, like you do
Like you do, like you do

Oh yeah

And boy you know it's bad when you do that
But you don't care

You're playin' it cool, I know what you do
I feel like a fool, but I would be feelin' it anyway
Cause nobody loves me
You're messin' around, I figured you out
You're takin' me down, but I would be feelin' it anyway
cause nobody loves me, like you do, like you do
Cause nobody loves me, like you do

You messing around I figured you out you takin' me
down
Like you do
Boy you know it's bad when you do that
