Sitting in my old and dusty room,  
I tell myself that things will change  
But you see, when I wake up from my dreaming,  
It's still the same, I can't believe you've gone away

Writing letter by the candlelight,  
I look for words to bring you back  
Can't you see, it won't let go of me,  
Please let me be and set me free  
Cause you see, when I wake up from my dreaming,  
It's still the same, I can't believe you've gone away  
The tears that I cry

Chorus:  
Can't you see, it's been a long time,  
Long time, long time, long time.....  
Give it to me, yeah, yeah.....

I try to realize your gone  
I tell myself that wanting you is wrong  
No matter what I say or do  
Got to learn, it's easy to forget you.  
Words won't stop the pains I have inside  
Got to change the feelings that I hide

And now the only thing left to do, is to tell ya,  
The only way I ever knew, now listen man.....

Solo

An empty room's become an old routine,  
And locked inside is all my pride.  
All my tears, have run down thru the years  
I'm wanting more & more of you.  
I walk the streets, though they're raked with rain  
Through the lonely day, the lonely nights won't stop the  
pain  
Yeah, living on, since time is done,  
I feel this bad, yes everywhere....  
For the things we had in yesterday  
And the times we shared, the times we stayed....

Chorus:

Long time, long time, long time, long time, long time.....

Give it to me, give it to me, give it to me

Can't you see???
