You're trying to fool somebody, but you end up fooling
Yourself
You read from the "book of the dead"* but you don't
know
What is about
I listened to you now maybe you'll listen to me
You're trying much to hard to make you're world seem
like
A dream
You're steping out of something
Yeah, You're steping out of line
Stop making a movie of it
Oh it's just my style
Stop sitting around and thinking
You're gonna do no good
I tought you're poetry was sometimes good

You're steping out of something
Sunlight Bathed the Golden Glow
Stop making a movie of it
Stop tellin the things I know
Stop sitting around and thinking
You're gonna do no good
I tought you're poetry was sometimes good

*A reference to the book of the dead of the ancient
Egypt. In the "Strange Idols Pattern and Other Short
Stories" version, he says "You read from "a season in
Hell", a reference to the french poet Arthur Rimbaud.
