Just the other day I said hello to you
Now it seems like time has passed us by
I wish there was a treasure I could show to you
To make our love come back and never die

Chorus:

But it's time to say goodbye
Don't know why
Things happen as they do with only you
Now I think I'm gonna cry
But at least I know we try
Oh baby it's time to say goodbye.

Goodbye to all the things we hold so dear to us
Goodbye to all the things we used to do
Goodbye to everybody far and near to us
But that won't ever stop me from loving you

Though it's time to say goodbye
Don't know why
Things happen as they do with only you
Wish I didn't have to go
But deep inside I know
That baby it's time to say goodbye
Time to say goodbye
Time to say goodbye
Time to say goodbye
Time to say goodbye

Goodbye... goodbye...

Instrumental

Though it's time to say goodbye
Don't know why
Things happen as they do with only you
Now I think I have to go
But deep inside I know
That baby it's time to say goodbye
Time to say goodbye
Time to say goodbye

Time to say goodbye
Time to say goodbye
Time to say goodbye

Time to say goodbye to all the things we used to do
now
Time to say goodbye to all the family and friends
Time to say goodbye to everybody that we do know
Even though I know that this is really not the end
Time to say goodbye
Time to say goodbye
Time to say goodbye

Goodbye... Goodbye... Goodbye... Goodbye

Time to say goodbye
