Haul out the holly  
Put up the tree before  
My spirit falls again  
Fill up the stocking

I may be rushing things  
But deck the halls again now  
For we need a little Christmas

Right this very minute  
Candles in the window  
Carols at the spinet  
Yes, we need a little Christmas  
Right this very minute

It hasn't snowed a single flurry  
But Santa, dear, we're in a hurry  
So climb down the chimney  
Put up the brightest string  
Of lights I've ever seen

Slice up the fruitcake  
It's time we hung some tinsel  
On that evergreen bough  
For I've grown a little leaner

Grown a little colder  
Grown a little sadder  
Grown a little older

And I need a little angel  
Sitting on my shoulder  
Need a little Christmas now

Haul out the holly  
Well, once I taught you all  
To live each living day

Fill up the stocking

But Auntie Man  
It's one week from

Thanksgiving Day now

But we need a little Christmas  
Right this very minute  
Candles in the window  
Carols at the spinet  
Yes, we need a little Christmas  
Right this very minute

It hasn't snowed a single flurry  
But Santa, dear, we're in a hurry

So climb down the chimney  
Put up the brightest string  
Of lights I've ever seen

Slice up the fruitcake  
It's time we hung some tinsel  
On that evergreen bough  
For we need a little music

Need a little laughter  
Need a little singing  
Ringing through the rafter  
And we need a little snappy  
'Happy ever after'

Need a little Christmas now  
Need a little Christmas now
