Chorus:

I love you more
More than you know
Gonna let it show
I love you more, hey

You turned my mind
Inside and out
I can't hide it
One of a kind
There is no doubt
I can't fight it

Your point of view
In love
It's true
Seems you planned it
And we touch
It's just enough
To understand it
Don't you know

(Chorus 2x)

Form the offset
The day we met
I knew I loved you
The stakes were set
I can't forget
What made me want you

Love's mysteries
Gave you and me
A new beginning
Now can't you see
How it can be
A happy ending
Don't you know

(Chorus 6x)

I love you more

More than you know
Gonna let it show
