Silhouette of a perfect frame  
Shadows of your smile will always remain  
Beginner's luck soon fades away, oh, baby  
We go on, I will always stay

Long as I live (Long as I live, you will be my first love)  
My first love (Girl, oh...)  
Long as I live (You will be my first love)  
My first love (And I'll choose you again)

I'll keep an old candy-coated Valentine  
Memories of you when you were mine  
A tarnished ring on a tarnished chain, yeah  
Time can't change it, come sun or rain, yeah

Long as I live {Long as I live, you'll be my first love}  
My first love {My first love, yeah, yeah, whoa, whoa}  
Long as I live {Long as I live, ooh... }

My first love {My first love, always be}  
Long as I live {Long as I live, you... }  
My first love {First love, I choose you again, yeah}

Ooh, ooh, a tarnished ring on a tarnished chain, yeah...  
Time can't change it, come sun or rain

Long as I live (You will be my first love)  
My first love (Oh... oh...) {Ooh... }  
Long as I live {Yeah, baby}  
My first love {I can't change it, oh, time can't change it,  
no, no, no}  
Long as I live (Long, long, yeah)  
My first love (My first love, yes, you are, yes, you are)  
Long as I live (Shadows of your smile still remain)
