Save your love  
For number one, y'all  
For the one  
That you gotta come home to  
You got to save your love  
For number one, y'all  
For the one  
That's always there  
To hold you

You got to save your love  
For number one, y'all  
For the one  
That you gotta come home to  
You got to save your love  
For number one, y'all  
For the one  
That's always there  
To hold you

I work hard all day  
For a little play at night  
My body aches  
Come and make it alright

When I called you hot  
On the telephone  
My heartbeat stopped  
'Cause you were not at home

(Save your love)  
Sa-save your love  
(For your number one)  
(Save your love)  
Sa-save your love  
(For your number one)

Rumor has it  
Girl  
I've been dippin' and dabbin'  
My friends are blabbin'

About some girl  
I've been havin'

I'm good with you  
'Cause you know what to do, baby  
When all is said and done  
You're still my only one

(Save your love)  
Sa-save your love  
(Save your love)  
(For your number one)  
(Save your love, baby)  
(Save your love)  
Sa-save your love  
(For your number one)

Ooh, I'm the one  
That you have to come home to  
I'm the one  
That will always love you

I'm the one  
Keepin' things together  
I'm the one  
Who'll last  
Through stormy weather

Save your love  
Ooh

Save your love  
For your number one  
Save your love  
For your number one

Save your love  
For number one, y'all  
For the one  
That you gotta come home to  
You got to save your love  
For number one, y'all  
For the one  
That's always there  
To hold you, hit it  
Ha-ha-ha-ha  
Ha-ha-ha-ha  
Ha, ha-ha, ooh  
Huh-ho, ruff  
Yeah, baby  
Ha-ha-ha-ha-ha-ha-ha

Ha-ha-ha-ha-ha-ha-ha

Save some love  
For your number one

I work so hard  
Every day on time  
When I come home  
I want some peace of mind  
Got to fight them  
Don't want to fight you  
That's why I tell you  
That my love is true  
'Cause my love is strong  
Just like my big heart  
And I don't want nobody  
To tear it apart  
'Cause you are the dream  
That I have seeked  
And that's why I'm rappin'  
To the funky beat  
Just to let you know  
That you're my number one  
From now until  
Until the day I'm done

Save your love  
For number one, y'all  
For the one  
That you gotta come home to  
You got to save your love  
For number one, y'all  
For the one  
That's always there  
To hold you

You got to save your love  
For number one, y'all  
For the one  
That you gotta come home to  
You got to save your love  
For number one, y'all  
For the one  
That's always there  
To hold you

You got to save your love  
Save your love  
Sa-save your love  
Save-save your love  
Save your love

For number one, y'all  
For the one  
That you gotta come home to
