Wandering through this forest  
Away from them...  
... who raped my mind

In my loneliness  
Only the pain grows...  
... stronger

Lifeless eyes shimmer  
And the sound of drops...  
... fills my heart

I howl  
For the moon is full tonight  
I crawl  
For the heartache burns inside  
Angels  
They bow as I pass by  
Angels  
Cry tears that cannot dry

My well flows over  
Into the empty...  
... night

My soul bleeds severely  
Still it cannot...  
... be healed

I crawl in stone arms  
Helpless...  
... till sleep

I howl  
For the moon is full tonight  
I crawl  
For the heartache burns inside  
Angels  
They bow as I pass by  
Angels  
Cry tears that cannot dry

Punished  
For the things I haven't done  
Banished  
For the being I've become  
Angels  
Comfort me as I cry  
Angels  
A reason not to die
