I wish I was king of the world  
I'd give you everything, diamonds and pearls  
Yeah, I'd give you all that I had  
Yeah, I'd give you all I had  
Yeah, when I'm king of the world  
Yeah, when I'm king of the world  
What I was still drags me down  
Those dreadful days and nights still haunt me now  
Less said about the way we were  
More the chance I could be your shelter  
Yeah, when I'm king of the world

Yeah, when I'm king of the world  
Yeah, when I'm king of the world  
Yeah, there'll be no more pain  
No sorrow when I'm king of the world  
No sorrow when I'm king of the world  
No sorrow, no sorrow  
No sorrow, no sorrow  
No sorrow, no sorrow  
When I'm king of the world  
When I'm king of the world  
When I'm king of the world
