The strongest pain
There's nothing to compare
For he has gone
By train to nowhere
But when I hear
His voice I feel him near
And every night
He comes to be beside me
Every night...

Don't call me mad
You just don't understand
Love never dies
It's not the end
Love never dies
It's not the end
His name is on
The cold marble stone
But yet I know
There's only dust of bones
I close my eyes
To see him deep inside
He's still with me
Forever in my mind

Don't call me mad
You just don't understand
Love never dies
It's not the end
Love never dies
It's not the end
