"Sex Blood And Cocaine"

Down on your knees
Star of shining sleaze
My delicious whore
Twitching on the floor

Sex, blood, cocaine
Sex and blood and cocaine

I watch you bleed
Pound you all you need
My delicious whore
Oh let's fuck some more

Sex, blood, cocaine
Sex and blood and cocaine

Wanna fuck till you're wasted ?

See how much more you can take ?

There, part your lips, and let me see your soul
You taste so sweet cute brainless doll

Now I slit your throat and I taste your soul
You squirt your last and spurt from every hole

Sex, blood, cocaine
Sex and blood and cocaine
