La Califusa - Australian Crawl

I've gotta go to California...where the palm trees grow.
Just nine big letters sitting on a hill.
We're just-a good ol' boys on a Jumbo we will go.
Backgammon on flight like a pop-star do.

I wanna stay with you, you look so right,
to have and hold you every night.
We'll have a good time and we'll fly a kite.
Frisbee all day and snort coke all night!!

LA CALIFUSA!!! etc

Jumbo's gonna take off, stopover in Bali.
Who's this I'm sitting next to? It's...Ali.
Spending eight thousand dollars...Just to have a good
time
Wasp in a city, that's a can of Mortein.

We went a-walking down a Rodeo Drive
saw Barry Gibb and he's a staying alive.
He sits at home in his big beehive.
Playin' Bee Gee's records saying things like
funky...jive.

LA CALIFUSA!!!

I gotta go to California where the palm trees grow
just nine big letters sitting on a hill.
All those good ol' boys on a Jumbo they will go
backgammon on flight like a pop-star do.

I wanna stay with you....etc
