Bomba - He from Brazil & dance a frenzy
Zandra - You know she changed her name from Sandy
In Asia ãfÂçâ, -" running naked by the ocean
From America ãfÂçâ, -" he thinks he's poetry in motion

They sit around there with the lamp so low
Twistin' it up & then lettin' it go
& Three is very definitely company

Bomba-he from Brazil & dance a frenzy
Zandra- you know she changed her name from Sandy
He's got a lap-lap, amulet
Afro-Cuban on his headset
So free ãfÂçâ, -" chasin' everything that's moving
Fast approaching a Mid-Life Crisis
A crisis
A crisis

They watch their best friends
You know they're breakin' up with other lovers
They're comin' to the end
No more playin' under covers

They sit around there with the lamp so low
Twistin' it up & then lettin' it go
She makes every kind of cooee

& In the evening they dance with 50 others solo
Fast approaching a Mid-Life Crisis
I will be true to thee
For all my life
Will not forsake thee
A-ha man & wife
A crisis
Mid-Life Crisis

& In the evening they dance with 50 others solo
Pickin' it up & then lettin' it go
Thrillin', espodrillin' as they're chinnin' away
Fast approaching a Mid-Life Crisis
A crisis
I will be true to thee

For all my life
Will not forsake thee
Man & wife
Yeah I will be true to thee
For all my life
Will not forsake thee
A-Ha
Crisis
Mid-Life Crisis
Mid-life Crisis
