Let me tell you bout two young lovers that lived on the coast

She was such a pretty thing, and man what a host

Come evenin time she sets the table for rour

Some friends are commin round tonight

He's out on the town, He's tryin to score

Woke up early this morning something's on his mind

cursin the night before, breakfast at nine

She felt him restless oh all through the night

She senses somethings wrong with him

She doesn't want to pry, she just wants to know why

Oh, Oh, Oh, Oh---Oh No, Not You Again

Don't own no smimming pool, not even a colour TV

He work awful hard some days and she lets him be

Things ain't looking to good for them no love no more

Some friends are commin round tonight

He's out on the town, He's tryin to score
